Adopt a Poodle --- or --- be a Poodle Temporary Foster Home.

The growing population of abused, abandoned and unwanted poodles has created the need for interim, temporary foster homes until the permanent poodle placement process can be completed. Many rescued poodles need continued medical care, behavioral care, rehabilitation, recuperation, grooming --- and simply "love" before they can be adopted.

There is always an urgent need for additional foster homes --- and permanent placement homes.

If you are interested in becoming a Poodle Temporary Foster Home or in Poodle Adoption, please call or visit our website.

Be a "Guardian Angel" to a "Poodle-in-Special Need".

Many of our rescued poodles have very special medical or rehabilitation needs. Some have suffered extraordinary abuse and others have complications due to the onset of old age. The **FPR Guardian Angel Fund** is dedicated to the medical & rehabilitation needs of a specific "poodle-in-special-need".

- **NOTE** – Any Guardian Angel Fund donations that exceed amounts requested for special needs of a specific poodle are then dedicated to the needs of the next most critical poodle patient.

Be a Major Capital Donor to help build the FPR Endowment.

If you wish to discuss providing a major capital contribution towards the **FPR Endowment Fund**, please contact FPR for details.
